Frequently Asked Questions

- ***Where is the community?***

Wesley House at Quincy Village is located at 6575 Orphanage Road, Waynesboro, PA 17268.

- ***How is rent and income eligibility determined?***

Rent and income limits have been established under federal program guidelines based on household size. Qualifying income limits and rents are adjusted annually. Housing Choice and VASH Vouchers are accepted.

Please Note: Apartments within the community have different income limits. An applicant's income-eligibility must be determined as it relates to an available apartment. If an applicant does not meet the income requirements for a particular available apartment, they may retain their current place on the waiting list as long as their household income is not less than the minimum or more than the maximum income limits for the community.

- ***How much is the security deposit and application fee?***

The security deposit is equal to one month's rent. There is a small non-refundable application fee per applicant.

- ***Are any utilities included in the rent?***

YES! Rent includes water, sewer, trash and all electric including heat and air conditioning. You can take comfort in the fact that you'll know what your living expenses will be each month.

- ***Can I have a pet?***

Some pets are permitted, including dogs and cats. Please contact the Community Manager for further information. An additional pet deposit and monthly pet fee will apply. Pets must be properly licensed and immunized and kept indoors unless they are on a leash and accompanied by their owner.

- ***Is cable TV and internet service available?***

There are telephone jacks in each bedroom and on the living/dining room wall. Cable connectors are provided in each bedroom and the living room.

1. In order to be eligible for an apartment with accessible features, you must require the features of the apartment.
2. This apartment community participates in the federal low-income housing tax credit program and claims tax credits in return for renting some or all of the apartments to low-income tenants at a restricted rent based on area median income, a measure used to determine housing affordability. Income limits are available for larger households upon request. This community does not give out waiting list numbers because applicants may qualify for several unit set-asides based on their income. When an apartment becomes available, applicants are selected by date and time order of their waiting list application to determine if they are interested in the available apartment at the designated rent. Applicants who qualify for multiple income set-asides may specify that they only want to be contacted for the lowest set-aside for which they would qualify. Note: "Unit set-aside" is the percentage of where your income falls in relation to area median income for the county where this community is located; it does not mean that you will pay 50% of your income for housing.
3. Minimum incomes are determined to ensure that residents do not pay more than 50% of their income for housing expenses. There is no minimum income requirement for holders of Housing Choice or VASH rental assistance vouchers.
