Frequently Asked Questions

- ***Where is the community?***

Westminster Place at The Long Community is located at 600 East Roseville Road, right off of Oregon Pike, Lancaster, PA 17601.

- ***How is income and rent eligibility determined?***

Rent and income limits have been established under federal program guidelines based on household size. Qualifying income limits and rents are adjusted annually. Housing Choice and VASH Vouchers are accepted.

Please Note: Apartments within the community have different income limits. An applicant's income-eligibility must be determined as it relates to an available apartment. If an applicant does not meet the income requirements for a particular available apartment, they may retain their current place on the waiting list as long as their household income is not less than the minimum or more than the maximum income limits for the community.

- ***How much is the security deposit and application fee?***

The security deposit is equal to one month's rent. There is a small non-refundable application fee per applicant.

- ***Are any utilities included in the rent?***

YES! Rent includes water, sewer, trash and all electric including heat and air conditioning. You can take comfort in the fact that you'll know what your living expenses will be each month.

- ***Can I have a pet?***

Some pets are permitted, including dogs and cats. An additional pet deposit and monthly pet fee will apply. Pets must be properly licensed and immunized and kept indoors unless they are on a leash and accompanied by their owner.

- ***What will it be like living at Westminster Place at The Long Community?***

There is plenty to stay occupied at Westminster Place. The Resident Services Coordinator is available to help residents find services they may need and works with the Resident Activity Committee to plan activities. The Community Room has a television and many activities are held there. Examples of activities include: potluck dinners, movie or game nights, bingo, music night, speakers and resources and theme parties around the holidays, as well as health and wellness programs. The library has a computer with internet access that our residents can use free of charge. The Fitness Room will keep you in shape. Get a little bored on a treadmill? The Fitness Room has TV that you can enjoy while walking your way to fitness. An on campus salon offers men's and women's hairstyling services.

Frequently Asked Questions

- ***Is there a meal service?***

While the community doesn't offer any meal services, residents are encouraged to speak with the Resident Services Coordinator to see if you qualify for any local services. They may enjoy them in the cafe, have them delivered to their apartments, or choose to share a meal with friends in the campus dining room.

- ***Sounds great! How do I apply?***

Applications may be printed from www.psl.org/wplong, are available at the community or will be mailed upon request.

1. In order to be eligible for an apartment with accessible features, you must require the features of the apartment.
2. This apartment community participates in the federal low-income housing tax credit program and claims tax credits in return for renting some or all of the apartments to low-income tenants at a restricted rent based on area median income, a measure used to determine housing affordability. Income limits are available for larger households upon request. This community does not give out waiting list numbers because applicants may qualify for several unit set-asides based on their income. When an apartment becomes available, applicants are selected by date and time order of their waiting list application to determine if they are interested in the available apartment at the designated rent. Applicants who qualify for multiple income set-asides may specify that they only want to be contacted for the lowest set-aside for which they would qualify. Note: "Unit set-aside" is the percentage of where your income falls in relation to area median income for the county where this community is located; it does not mean that you will pay 50% of your income for housing.
3. Minimum incomes are determined to ensure that residents do not pay more than 50% of their income for housing expenses. There is no minimum income requirement for holders of Housing Choice or VASH rental assistance vouchers.
