

MISSION Matters

SUMMER 2026 A publication for donors and friends within the Presbyterian Senior Living family

“When I came here, I came here with my spouse. Things were great, we enjoyed the facilities, and the meals were great. We were moving along quite well with the bills and costs. We had adequate income, a pension, social security, and my spouse’s social security. When my spouse passed away, our income was reduced, and it became hard to manage costs. As I got older, money was dwindling, and I was beginning to get anxious about that.

Fortunately, I appreciated that Mr. Davis said PSL could help me. I applied to receive **Resident Assistance** and at that point in time I ran out of money. PSL was there to help and enabled me to stay in my home and continue to age in place. I am very, very appreciative and I feel very fortunate. Years ago, I made a gift to the fund, not thinking I would need it. I am grateful to the donors who provide support, so people like me who have long made a home here can stay.

Donor Stewardship and Engagement Survey Results

Thank you to everyone who took the time to complete Mission Support’s recent survey. Your feedback is highly valued and plays an important role in helping us better serve you, fellow Residents/Villagers, and team members.

Your responses have strengthened our understanding of your experiences and interests and have provided valuable insight into your perspective on how philanthropy affects your community. We also gathered communication preferences, among other information.

Mission Support has carefully reviewed all responses and is taking action based on what we learned.

At present, our team is working with Executive Directors to review segmented responses for each community.

HERE ARE A FEW HIGHLIGHTS FROM THE SURVEY RESPONSES:

- 542 total responses were received across PSL (Cathedral Village had the highest participation with 122 responses, followed by Pine Run Village 85, Kirkland Village 64, Quincy Village 61, Green Ridge Village 50, Glen Meadows 43, Westminster Woods 28, Ware Presbyterian Village 24, The Long Community 21, Westminster Village 19, Presbyterian Village 7, Mark H. Kennedy Park 6, St. Andrew’s Village 2).
- Responses from Residents/Villagers spanned 13 of the 16 invited communities.
- Respondents who are more familiar with PSL’s charitable mission tended to perceive a greater impact from their gifts. Those who are ‘Very familiar’ or ‘Extremely familiar’ are more likely to report their gifts made ‘A lot’ or ‘A great deal’ of difference. In contrast, respondents who are ‘Not at all familiar’ or ‘Not so familiar’ are more likely to say their gifts made only ‘A little’ or ‘A moderate amount’ of difference, or to indicate they are not donors. Overall, higher familiarity is associated with a stronger sense of gift impact.

WORDS FROM THE PRESIDENT AND CEO

Dear PSL Family and Friends,

Summer has a way of reminding us that growth takes time and care. Because of your generosity, our mission is thriving, and the seeds you have helped plant are bearing fruit and creating lasting change.

In this issue, you will find updates on some recent events, projects, and programs. Your support has helped us: support friends and neighbors who depend on **Resident Assistance** (read a note from a thankful anonymous resident on page 1); meet many capital needs (page 2); award scholarships to hardworking team members (see thank you notes on pages 4–6). These represent some of the many stories of helpfulness, connectedness, and community. I hope you feel proud knowing that none of this would be possible without you.

On behalf of our entire team, thank you for being the heart of our work. Wishing you a joyful summer.

With gratitude,

Dan Davis, President/CEO

We hope you'll consider renewing your support for your community.

The Presbyterian Homes of the Presbytery of Huntingdon (PHPH) Foundation Makes a Difference

The Presbyterian Homes of the Presbytery of Huntingdon (PHPH) Foundation is dedicated to preserving the charitable purpose and long-standing mission of PHPH. The PHPH Foundation supports operations and the residents who live in all levels of living.

Each quarter the board gathers to review, consider, and approve requests from **Presbyterian Village at Hollidaysburg** and **Westminster Woods at Huntingdon**.

In quarter one, Presbyterian Village at Hollidaysburg received support totaling \$29,531.68 to purchase a PhysioCycle for the IL Fitness Room, parallel bars for the therapy department, healthcare mattress replacements, pocket tag readers, dining room chairs, and furnishings for four Personal Care rooms. Westminster Woods at Huntingdon received \$29,546.58 to purchase platform-mounted parallel bars for the therapy department, room number signs, manual recliners, dressers and nightstands for healthcare, and a Tovertafel.

In quarter two, Presbyterian Village at Hollidaysburg received support totaling \$23,998.35 to purchase resident lifts, slings for resident lifts, and resident room mattresses and bed accessories. Westminster Woods at Huntingdon received \$23,813.85 to purchase resident mattresses, lift slings, a kitchen Robo Coupe, tables for their Tovertafel, a crash cart, sitting chairs for resident lounges, a Broda wheelchair, and a high-back wheelchair.

Members of the PHPH Foundation Board include Alan Anderson, Mary Croft, Sue Esch, Terry Goldstein, and James Huff.

The team members and residents at Presbyterian Village at Hollidaysburg and Westminster Woods at Huntingdon are most grateful for the support of the PHPH Foundation and the Board, which totaled \$106,890.46 in the first two quarters of this year.

The Tovertafel is an interactive projection system with games for people with cognitive disabilities. It projects games that respond to movement, turning any table, floor or surface into a playing space. It fits seamlessly into daily care and education routines, supporting cognitive and emotional well-being through play.

Kirkland Village Donor Appreciation Event: A Celebration of Giving, Community, and Purpose

On April 9, more than 70 residents and team members gathered at the Cherrywood Lounge and Keystone Gallery at **Kirkland Village**, Bethlehem, PA, to celebrate a remarkable year of generosity and shared commitment.

Side by side, friends, neighbors, and colleagues raised a glass to their collective impact—honoring the achievements made possible through fundraising efforts in 2025. Together, an impressive **\$78,954.80** was raised to support initiatives and people within the **Kirkland Village** community.

The impact of that generosity was deeply personal. In 2025, 15 residents received **Resident Assistance**, and PSL provided over **\$1 million** in direct support to **Kirkland Village** residents. These funds helped cover essential needs such as housing fees, meals, health insurance premiums, medical care, and other necessities. In addition, 13 Kirkland Village team members facing crises—including medical emergencies, fires, car accidents, and unexpected funeral expenses—received vital support through the **Team Member Assistance Fund** totaling \$9,650.

Community-enriching programs have also flourished. The resident-led **Art Fund** continued to enhance campus life by acquiring new works from local artists and renowned masters, improving gallery infrastructure, and caring for a collection of more than 800 pieces. The **Grounds and Gardening Fund** helped enhance Kirkland’s natural beauty—from their usual planting to their major landscaping in Northwood Gardens. Meanwhile, the **Music Fund** brought exceptional performances to campus, contributing to a legacy of more than 250 concerts that fill the community with diverse and inspiring sounds.

The evening concluded with a special surprise: the inaugural presentation of the PSL Team Giving Champion — Community, awarded to the community whose team members raised the most money in 2025.

The “Kirkland Cares Crew”, led by Lilly DeLeon and Nate Santiago, holding the trophy on behalf of the committee, were joined by fellow team members.

Fred DeAntonis, co-chair of the Grounds and Garden Committee, shared heartfelt remarks.

(L-R) Dianne Cole, Jeff Cole, and Ann English enjoyed a delicious spread, meaningful fellowship, and inspiring words during the celebration.

Dear Donors and Scholarship Committee,

I am writing to thank you for the generosity of your scholarship towards students like me. Your gift is allowing me to continue my time at Bloomsburg to study Secondary Education and History. I am entering my second semester of senior year where I will have completed my first degree in History and one semester closer to being a licensed teacher. My past four years in college has deepened my appreciation for education and the meaning of community.

Kirkland Village and your advocacy for educational scholarships exemplify how much community can impact individual lives. With this scholarship, I can walk into the spring semester feeling supported and determined to succeed. It is very hard to put into words how much I appreciate this gift, but I hope this letter can try to show it. My mother is also deeply appreciative as she has sacrificed so much for me to become the first college graduate in our family. I deeply hope that you're able to continue blessing others and that you all are equally blessed in return.

I give my thanks again, Clarisse Irapaye

I just wanted to send my appreciation to the scholarship committee. I would like to sincerely express my heartfelt appreciation to the incredible committee for awarding me the scholarship. I do not take for granted your generosity and commitment to supporting my education. This has made a meaningful change in my life. This opportunity not only eases my financial burden, but motivates me to strive for excellence in my studies and future career. I am truly grateful for your belief in my potential and investment in my growth. Thank you for creating opportunities that empower individuals like me to succeed. I will continue to work hard and honor this support with dedication and integrity and a strong commitment to giving back.

Sincerely, Adaugo Iheoha

*Cara Marie
Hotchkiss*

*Ware
Presbyterian
Village*

Dear Donors,

My name is Cara Hotchkiss and I have been a dietary aide at **Ware Presbyterian Village** for 4 years and in the last 2 years have taken on a cook II role as needed. I take deep pride and care in working with the residents of the Ware community. It has ignited a passion in me for caring for the geriatric population that I would not have been aware of had I not been employed here. Currently, I study biology at Cecil College and am set to receive my associates degree in May of this year. With this scholarship I am able to take the remaining 15 credits for my degree without worrying about how many hours I need in order to make enough money. It allows me not only to devote more time to school but also reduces my stress. This makes me more efficient and focused on my position here and capable of ensuring quality care for all of the residents. As I previously stated, I take deep pride in my position at Ware and receiving this scholarship made me feel acknowledged as an individual who works hard to better the community. Each day I bring a smile and a positive attitude to work, and after receiving this scholarship I have an increased awareness of how much my attitude improves the lives of the residents I work with and how much they improve my life each day I get to work with them. My next steps in my education are to go to a four-year college or university and study physician assisting. My ultimate goal is to work with disadvantaged communities that lack access to quality healthcare and the geriatric population that often gets overlooked and forgotten. I am beyond excited about receiving this scholarship and being awarded the opportunity of achieving goals I have set for myself since I was only 13 years old. This community and company have given me such an incredible opportunity, and I am beyond appreciative for your donations and support.

Thank you so much, Cara Hotchkiss

10 Team Members received scholarships totaling **\$17,500** in 2025.

Camille
Frederick-Goode

Westminster
Village in
Dover

Dear Donors,

I would like to sincerely thank you for your generous support through the **Westminster Village** Florence Nightingale Scholarship. My name is Camille Frederick-Goode, and I am an LPN at Westminster Village, a Presbyterian Senior Living community. I am currently pursuing my nursing degree at Delaware State University, and I am deeply grateful to have been selected as a recipient of this scholarship. This scholarship is an honor and tremendous support for my continued education. The financial assistance will help ease the burden of tuition and educational expenses for the Spring 2026 semester, allowing me to stay focused on my studies and clinical training. Knowing that others believe in my potential motivates me to work even harder toward my goal of becoming a compassionate, skilled nurse. This scholarship brings me one step closer to achieving my long-term goal of graduating in 2027 and continuing to serve others in healthcare, particularly older adults and vulnerable populations. Working within the Presbyterian Senior Living community has already shaped my passion for patient-centered care, and this support strengthens my commitment to contribute back through excellence in nursing practice. Receiving this scholarship made me feel encouraged, valued, and proud. It reminds me that my hard work and dedication matter and that I am not alone on this journey. Thank you for investing in my education and my future. Your generosity is making a lasting difference not only in my life but also in the lives of those I will care for as a nurse.

With heartfelt appreciation, Camille Frederick-Goode

Cathedral
Village

Dear Residents and Esteemed Donors,

I am writing to extend my heartfelt gratitude for your generous support in awarding me the scholarship to pursue my SHRM-SCP Certification. Your investment in my professional development is both humbling and deeply appreciated. The opportunity to further my education through the SHRM-SCP Certification program will significantly enhance my expertise in human resources, particularly in areas such as compliance, employee relations, strategic workforce planning, and organizational development. This certification represents not only a personal milestone, but also a meaningful step toward strengthening the quality and effectiveness of HR practices within **Cathedral Village**. Long term, this achievement will allow me to bring enhanced knowledge, innovative strategies, and best practices back to Cathedral Village and Presbyterian Senior Living. It will empower me to better support team members, foster a positive workplace culture, and ensure we remain aligned with the highest standards in human resources management. Ultimately, this growth will contribute to the continued success and stability of Cathedral Village, benefiting both team members and the residents we are privileged to serve.

Your generosity is a direct investment in both my future and the future of our community. I am truly honored by your confidence in me and remain committed to using this opportunity to make a meaningful and lasting impact. Thank you once again for your support and belief in my professional journey.

Kind Regards, Shaneek Bender

YOU CAN MAKE AN IMPACT THROUGH SCHOLARSHIPS

Make a lasting impact by endowing a scholarship or contributing to an existing fund that supports team members who wish to further their education and advance their careers. Programs may include scholarships; financial support for conferences, workshops, and licensing or certification beyond minimum employment requirements; and individual or group training programs to grow knowledge and skills.

To contribute to an existing scholarship, go to www.psl.org/give, scroll down to the **Scholarship Funds** section and click on the donate now button. Select a scholarship in the drop-down menu.

For more information about endowing a scholarship, contact Mission Support at (717) 502-8872 or e-mail MissionSupport@psl.org.

Ware
Presbyterian

Dear Donors,

I want to extend my heartfelt thanks for the **Eng Scholarship** and your generous support and awarding me this scholarship. Your support has given me the opportunity to pursue my Corrective Exercise Specialization, an advanced course that will allow me to better assess movement patterns, address muscular imbalances, and design safer, more effective programs for the residents I serve. This investment directly enhances the quality of the wellness services I provide in my role as Fitness Director at Ware Presbyterian Village, and I'm truly grateful for the doors it opens in my professional development. It means so much to me that you're part of my fitness classes. Your steady commitment, positive attitude, and willingness to challenge yourself make a real impact. I'm grateful for the encouragement you've shown me. Supporting your wellness journey while you support mine makes this scholarship especially meaningful to me. Thank you for believing in the importance of continued education, community health, and evidence-based wellness programming. Your generosity strengthens my ability to grow as a professional and to serve our community with knowledge, care, and purpose. I am deeply appreciative of your confidence in my work and the impact your support allows me to make.

Thank you so much, Candice Adams

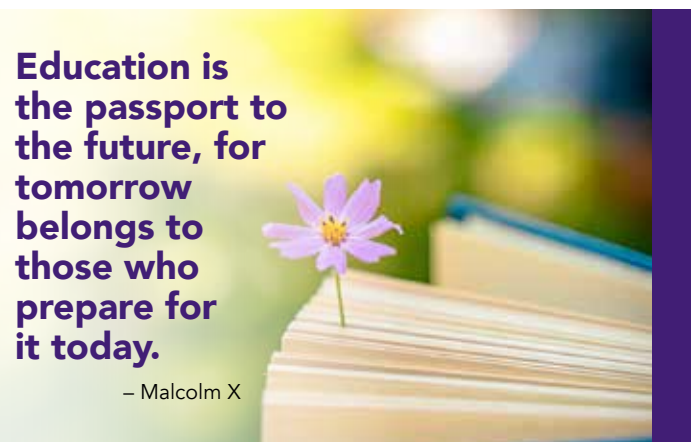

Hannah
Faircloth

Green Ridge
Village

Dear Donors,

My name is Hannah Faircloth and I have been at **Green Ridge Village** for 7 years as a CNA in long term care. I am currently studying to be an LPN at a local school in Chambersburg. I am so grateful for your generous support and for receiving these funds to help me further my career! The funds will go towards my tuition and books as I am unfortunately not able to work as much during this school year; this allows me to focus more on my studies! I plan to be back to working full-time at the beginning of March of 2027, helping those in need! Thank you again for your generosity with helping me achieve my goals in becoming a nurse!

Sincerely, Hannah Faircloth

Presbyterian Senior Living Earns Candid Platinum Seal of Transparency

Presbyterian Senior Living (PSL) is pleased to announce we have earned the 2026 Candid Platinum Seal of Transparency.

Candid, formerly Guidestar, is the world's largest source of nonprofit data. Nonprofits can earn a Bronze, Silver, Gold, or Platinum Seal of Transparency depending on the depth and breadth of information they provide on their Candid profile.

The Platinum Seal demonstrates that PSL is an organization with a steadfast commitment to transparency, accountability, and responsible stewardship.

Presbyterian Senior Living met a rigorous set of criteria, including providing information about our mission, charitable purpose, programs and services, finances, governance, and leadership and board demographics. Additionally, PSL was also required to share strategic priorities and their impacts and provide information on how we collect feedback from stakeholders.

This rating is granted to very few charities nationally.

Survey Results (continued)

- Across all PSL communities, 'Programs that support residents' was the most frequently selected important program, followed by 'Programs that support team members' and 'Capital/building and grounds needs.'
- The majority of Residents/Villagers noted when they give, they feel 'Helpful', 'Connected', and 'Committed'.
- 60% of respondents selected they would like to hear how their 'gifts made a difference' in their community a few times a year or more.
- The top two communication preferences were email (63%) and newsletters (38%).

WHAT WE ARE DOING WITH THE RESPONSES:

We truly appreciate your insights. Every response we received will help us shape our decisions that continue to improve your community.

We are working to enhance communications to help Residents/Villagers better understand PSL's charitable mission and to highlight the funds that support and strengthen your community.

Did you know that 100% of your gift goes where you designate it? This means if you contribute \$1,000 to benefit the Resident Assistance Fund at your community, \$1,000 goes exactly for that purpose.

We have updated our website, www.psl.org/give, with additional details about these key funds so that you can more clearly understand how you are *giving with purpose* and making a positive impact in your community.

In addition, we have placed banners highlighting these funds at each community. Our team is also presenting information about the charitable mission and related funds at each community with the goal to have these completed by the end of April.

We recognize that programs benefiting Residents/Villagers are important to you, such as the Resident Assistance Fund. We recently completed our 2025 analysis and can report that in 2025, 128 Residents/Villagers directly received more than \$5.9M in Resident Assistance. And Residents/Villagers in every Life Plan and Personal Care community benefited from this support.

You also indicated that supporting team members is important to you. In 2025, the Team Member Assistance Fund provided 107 grants totaling \$69,395 to team members experiencing financial hardship due to an emergency or catastrophic event. In addition, 10 team members received donor-established scholarships to pursue educational opportunities.

We will be reviewing the methods in which we communicate as well as how frequently and make relevant adjustments.

Thank you, again, for sharing your thoughts with us. Every response we received will help us shape our decisions and enable us to better support your community.

Thank you.

Sincerely,
Bethanie Constant, Vice President of Mission Support

Advocating for Affordable Housing

In April, LeadingAge PA hosted an Affordable Senior Housing Developer Summit with Presbyterian Senior Living at the **LongCrest community**. The Summit brought together developers, affordable housing providers, and community leaders to envision solutions to the challenges and barriers in creating affordable senior housing in the Central PA region.

Upcoming Events that Support the Mission

Summer is in full swing at **Green Ridge Village** with the Summer Concert Series! All concerts are free and open to the community; donations are encouraged to support the **Health and Well-Being Across the Continuum Fund**, which makes it possible to offer innovative programs and resources that nurture residents' physical, mental, social, and spiritual well-being.

Visit psl.org/GRVsummerconcerts for more information or to make a donation.

Glen Meadows Foundation's Groovin' in the Vineyard event is on **Tuesday, September 8**, from 4–8 p.m. at DeJon Vineyard, 5300 Hydes Rd., Hydes, MD. This event is for guests ages 21+ and the cost is \$40 per person which includes 1 wine flight (4 tastings) and free transportation for Glen Meadows residents.

Enjoy entertainment by the Dave DeMarco Band, hors d'oeuvres by Glen Meadows Dining, Conrad's Crabs & Seafood Food Truck, and Chef 'Willie' Knowles Rum Cakes.

Buy tickets at the door or online at www.psl.org/groovin. Proceeds benefit the Glen Meadows Community and residents.

Join Presbyterian Senior Living in celebrating Founder's Day—a tribute to the visionaries who built a legacy of compassionate care and community on **September 17–18**. In honor of our founding year, we're hosting 1,927 minutes of giving—a special opportunity to honor the past while investing in the future.

Save the date and get ready to make your gift during this inspiring 1,927-minute giving challenge. Together, we can continue a legacy that changes lives.

PSL ORGANIZATIONAL GROWTH THROUGHOUT THE YEARS

25th Year – Residents: 82

50th Year – Residents: 750

75th Year – Residents: 4,100

99th Year – Residents: 6,000

Mark your calendar for a meaningful and enriching experience at **Cathedral Village's** annual Black Arts Festival, on September 25–27. This event showcases a dynamic collection of artwork alongside a variety of scheduled programs that honor the rich history, talent, and cultural contributions of Black artists.

GI ING TUESDAY

On GivingTuesday, **Tuesday, December 1**, people around the world come together to make a difference. Here at Presbyterian Senior Living, your support brings comfort, connection, and joy to those we serve—and ensures that no resident or villager ever has to leave their home due to financial hardship.

Save the date now—and plan to make your gift on December 1.

Board Member Feature: **HOLLY LANGE**

Cathedral Village Affiliate Board, Member

My interest in aging began when I was in high school. My grandmother had a stroke and came to live with us. My family provided care for her and, as a new driver, I was thrilled to be allowed to borrow the family car on Saturdays to take Nana shopping and to lunch at the local diner.

Fast-forward to my professional career. I have worked for over 40 years in the field of geriatrics. I retired in 2020 as the President and CEO of the Philadelphia Corporation for Aging. This large nonprofit organization serves elders in Philadelphia with home delivery meals, adult day programs, home care, and senior centers.

In 2015, I was pleased to learn that PSL had acquired **Cathedral Village (CV)** because PSL's approach to managing care and services for residents aligns with my views of compassion and respect.

In 2021, I was contacted by a former board member who is a resident at Cathedral Village. He asked me if I was interested in becoming CV board member. After an interview with the CV board chair, I was elected to the board and started my term in January 2022. Being on the CV board allows me to use my knowledge and expertise as a leader in aging services.

Each of the PSL communities has their own individual culture. However, all of them focus on person-centered care and work to support residents as they continue to be engaged in their communities. Each community has an active resident council which participates in governance and chooses which activities to pursue. PSL and CV have worked hard to hire competent and responsive team members who address the needs of the residents and evolve with innovation.

My career in aging services has provided me with the opportunity to learn and grow. Throughout my working life, and now in retirement, as a CV board member, I can continue to treat elders and residents with compassionate care and respect in their communities. I am proud to be an active member of the CV board.

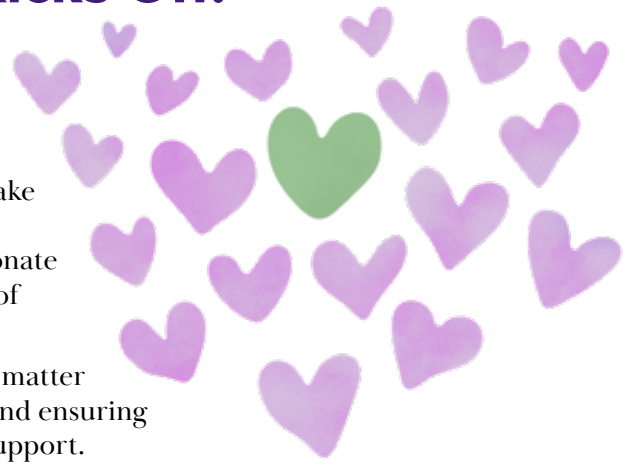

PSL's Team Giving Campaign Kicks Off!

The Team Giving Campaign is officially underway—an inspiring reminder of the generosity and dedication of our team members across Presbyterian Senior Living.

Last year, team members from across the organization came together to contribute nearly \$130,000 in support of funds that make a meaningful difference for residents, villagers, and fellow team members. These gifts helped provide critical resources, compassionate care, and support in times of need—strengthening the very heart of our communities.

This year's campaign continues that spirit of giving. Every gift, no matter the size, reflects a shared commitment to caring for one another and ensuring our communities remain places of compassion, connection, and support.

“ I donate because I truly believe the donations go to make the lives of our residents a little more satisfying, rewarding, meaningful, and most of all, makes them smile!

- LEIGH MCMULLEN, SNF Med Records Tech at Presbyterian Village at Hollidaysburg

“ Every contribution can make a difference, and knowing how many residents are helped by my gift has always been a powerful motivator for me.

- DEB LARKIN, PSL Vice President of Compliance and Privacy

“ We give because we love our residents, and it enhances their lives here.

- MARY REIFSNYDER, Cook and YVONNE LAUBACH, LPN at Presbyterian Home at Williamsport

“ I give to support residents, team members, and the mission of Presbyterian Senior Living.

- JASON LYONS, Director of Mission Support

“ I believe it's everyone's job to help others. It's our job in the community and the world. That's why I give.

- DENISE YELLITS, Assistant Area Manager, HMC

“ I give because I believe in the power of community. I see every day that PSL's approach to overall wellness changes the lives of our residents as they age.

- REBECCA HITCHENS Area Sales Director at Cathedral Village

RAISE THE REGION: A Community Effort with Meaningful Impact

In March, **Presbyterian Home at Williamsport** participated in Raise the Region, an annual online giving campaign organized by the First Community Foundation Partnership. Thanks to the generosity of 27 donors, \$2,691 was raised within 18 hours to benefit the **Resident Assistance Fund**.

Gifts from this campaign supported the Resident Assistance fund, which helps ensure residents can continue to receive essential care, housing, meals, and services—even if they outlive their financial resources. These funds provide peace of mind and stability, allowing residents to remain in the community they call home.

We are deeply grateful to everyone who contributed and helped make a meaningful difference.

A Tax-Smart Way to Give: Did you know you can support PSL or your community and save on taxes?

If you have an Individual Retirement Account (IRA) and are aged 70 1/2 or older, you may make a tax-free gift directly from your IRA to support the community you hold dear.

Benefits of an IRA Qualified Charitable Distribution (QCD)

- Allows individuals age 70 1/2 or older to transfer up to \$111,000 in 2026 (adjusted annually for inflation) directly from an IRA to a qualified charity.
- Couples filing jointly may each qualify for annual QCDs, for a potential total of \$222,000 in 2026.
- Satisfies your required minimum distribution (RMD) for the year.
- Reduces your taxable income, even if you do not itemize deductions, because no taxes are owed on the transfer.

How Does an IRA QCD Work?

- Contact your IRA plan administrator or account custodian to directly transfer a gift from your IRA to PSL or your community. If you need the EIN, contact Mission Support by calling 717-502-8872 or e-mail MissionSupport@psl.org.
- The check should be made payable to Presbyterian Senior Living or your community. If a memo line is available, please include the

fund you wish to support. Fund information can be found at www.psl.org/give or contact Mission Support by calling 717-502-8872 or e-mail MissionSupport@psl.org.

- Because not all custodians provide donor information, we ask that you notify us when you initiate an IRA QCD to ensure proper processing.
- To receive tax benefit for the current year, complete your QCD before December 31. Please allow two to three weeks for processing by your custodian.

This information is for discussion purposes only. You should talk to your own tax, legal, and accounting advisors before making any decisions.

New! Grateful Giving Program

Are you grateful for the care you or a loved one received?

Through our Grateful Giving program, you may share your gratitude with a gift in honor of a team member who provided exceptional care or service—while Presbyterian Senior Living doesn't permit tips, your generosity allows us to recognize them with a special pin they can wear with pride.

If you or your loved ones would like to recognize exceptional care or service received at a PSL community, you can:

- share words of thanks with our dedicated team member(s)
- make a tax-deductible and impactful gift in honor of a team member(s)

We'll share your words of appreciation and honor the designated team member(s) with a recognition pin.

Ways to Share Your Gratitude

- Visit www.psl.org/grateful or scan the code to make a secure gift online.
- Brochures will soon be available in all communities that include a form to complete and then submit.
