Group Term Life Insurance benefit over \$50,000 is taxable in earning and then removed as a deduction

403B Retirement Plan will display the deduction plan type you are enrolled in: percentage (%) or dollar (\$). You may see both deduction types if a change was elected during YTD. If a second check is issued during a pay period, and you are enrolled in percentage, then the retirement deduction and employer match will be applied to both checks. If you are enrolled in the dollar, it will only be deducted from the first check.
