

PRESBYTERIAN
SENIOR LIVING

Welcome to the Team!

We are excited to welcome you to Presbyterian Senior Living! We are committed to supporting a successful and meaningful work experience. We encourage you to share your feedback through a 'We Care Connect' survey. As a key part of our onboarding process, you will receive four brief surveys through email, and/or phone*, as you reach the following important employment milestones:

- Two Weeks
- 45 Days
- 75 Days
- Six Months

Your participation in these surveys is important. These surveys give you an opportunity to provide valuable recommendations on ways we can improve our new employee onboarding experience, as well as sustain those areas in which we exceeded your expectations. In an effort to stay connected with your employee experience, you will continue to receive these surveys every six months. Your responses will be used to help us enhance your and your teammates' employee experience.

**WeCare
Connect**

We look forward to hearing from you!
