Opportunities to Support the Mission

PRESBYTERIAN
SENIOR LIVING

Giving with Purpose

Enriching Lives and Community

Through our Partner in Mission's heartfelt gifts and sponsorships, critical support is provided where it's needed most.

MISSION-SUPPORTING GIFTS

Your unrestricted gift provides communities with the flexibility to fulfill the mission and implement programs and services—whether that means enhancing residents' well-being, funding new initiatives, responding to unexpected challenges, and addressing other areas of great need. Unrestricted giving leads to unrestricted thinking.

RESIDENT ASSISTANCE

Imagine the smile on the face of a neighbor or friend knowing they no longer have to worry about covering expenses. The Resident Assistance Fund helps residents who have been good financial stewards yet have outlived their resources and can no longer fully afford the services or care they need. Resident Assistance helps cover the cost of fees/housing, meals, health insurance premiums, medical care, and other necessities for residents. PSL has never asked a resident to leave due to an inability to pay. Resident Assistance is about compassion, instilling peace of mind, and knowing the community you've come to call home is here for you.

HEALTH AND WELL-BEING ACROSS THE CONTINUUM

Staying engaged and active physically, mentally, socially, and spiritually play a significant role in helping individuals maintain health, independence, and quality of life. This fund provides for innovative and best practice solutions to health and well-being needs. Offerings may include specialized

exercise classes; stimulating social, cultural, art, and performance activities; lifelong learning educational classes; a comprehensive library; spiritual care; recreational, music, and art therapy; and much more. This fund also provides flexible support to address new or changing high priority needs of residents.

COMMUNITY ENHANCEMENT FUND

From cozy corners to vibrant gardens, welcoming physical environments positively affect residents' health and well-being. Spaces that encourage connection and community promote the ability to thrive and live life fully. The Community Enhancement Fund is used to acquire items for indoor and outdoor spaces and can assist with prioritized capital projects and improvements. A community is more than a place; it is something we build together.

TEAM MEMBER ASSISTANCE FUND

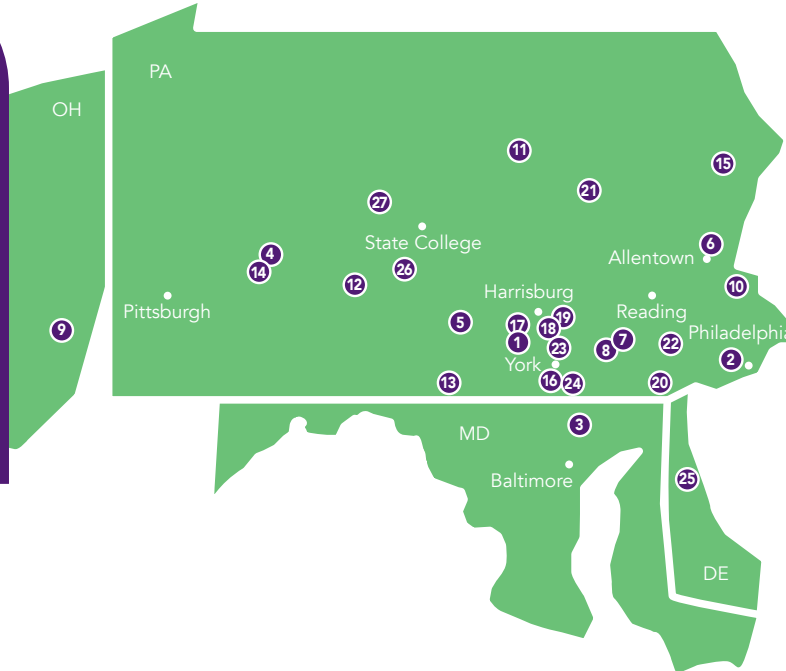

Compassionate and dedicated team members sometimes experience temporary financial hardship due to an emergency or catastrophic event such as a medical emergency, fire, car accident, or unexpected funeral expenses for a loved one. The Team Member Assistance Fund provides confidential, one-time financial assistance based on demonstrated need. By uniting in times of crisis, this program seeks to alleviate the stress and burden associated with unexpected financial challenges, allowing team members to regain their footing and focus on what matters most: their well-being and the care of those they serve.
