

**Presbyterian Senior Living 403(b) Plan**  
**Annual Participant Investment Disclosure as of May 31, 2025**

Whether you will have adequate savings at retirement will depend in large part on how much you choose to save and how you invest your savings. The following information is being provided to you to assist you in comparing the designated investment options available under your retirement plan, and to meet the Department of Labor's participant disclosure requirements. It shows how these options have performed over time and allows you to compare them with an appropriate benchmark for the same time periods. Past performance does not guarantee how the investment option will perform in the future. Your investment in these options could lose money. If you want additional information about your investment options (including each option's objectives and risks, portfolio holdings and turnover), you can go to the specific Internet web site address shown below, or you can contact Conrad Siegel at 501 Corporate Circle, P.O. Box 5900, Harrisburg, PA 17110, (800) 577-3675. A free paper copy of the information available on the Web sites can be obtained by contacting Conrad Siegel at (800) 577-3675.

The cumulative effect of fees and expenses can substantially reduce the growth of your retirement savings. Visit the Department of Labor's Web site for more information about 401(k) investments and the role fees can play. Fees and expenses are only one of many factors to consider when you decide to invest in an option. You may also want to think about whether an investment in a particular option, along with your other investments, will help you achieve your financial goals.

Please visit [myconradsiegel.com/glossary](http://myconradsiegel.com/glossary) for a glossary of investment terms relevant to the investment options under this plan. This glossary is intended to help you better understand your options. A fund prospectus for most investment funds can be downloaded and viewed via the Internet at the Web addresses shown. In addition, you may request a fund prospectus by contacting a customer service representative at 1-800-577-3675, or by emailing [support@myconradsiegel.com](mailto:support@myconradsiegel.com). Be sure to include your name, address, and plan name.

## **Presbyterian Senior Living 403(b) Plan Annual Participant Investment Disclosure as of May 31, 2025**

\* N/A appears under investment performance when the fund's inception is more recent than the time period listed. If an investment option has an inception date of less than one year, the Since Inception return is not annualized. Investment performance and expense ratio figures above do not reflect any service provider costs that are paid from the plan. See the Annual Plan Disclosure for more details on these costs.

†Front-end and back-end loads are almost always waived for retirement plans. If you see an 'N/A' in the Shareholder Fees and Restrictions section, please visit [myconradsiegel.com](http://myconradsiegel.com) for more information.

A Broad Market Benchmark is provided to meet the Department of Labor's disclosure requirements. Any Closest Match Benchmark that is provided may represent a closer match to the investment mix of an individual investment option than the Broad Market Benchmark.

A blended benchmark may be used for comparison purposes for funds that invest in both stocks and bonds. The blended benchmark consists of an appropriate mix of indices in accordance with the particular fund's split between stocks and bonds.

It is the intent to use meaningful benchmarks for comparison purposes. Spliced benchmarks may be used when more than one benchmark has been utilized for the fund over the presented time period.

The foregoing information represents the performance of the identified funds as reported by independent sources we believe to be reliable, but we do not guarantee the accuracy of such information. To the extent the named investment has a prospectus, the expense ratio of each mutual fund is the Prospectus Net Expense Ratio as reported by Morningstar, Inc. The foregoing performance does not represent the investment performance of any actual portfolio, but rather the performance of the investments that are available in your employee benefit plan. Individual fund performance may vary.

The performance results presented herein for the investment portfolios represents the combined performance of the investments held in each portfolio recommended by CSIA. If a portfolio's inception date is less than three years ago, the portfolio's Past Performance represents hypothetical back testing and does not represent actual historical performance of the Portfolio. Back tested hypothetical performance differs from actual performance because it is achieved through the retroactive application of each strategy with the benefit of hindsight. Results may not reflect the impact that material economic and market factors might have had on the decision-making process if investment decisions were actually being made during this time period. For portfolios with an inception date of more than three years ago, the performance shown reflects the actual investment and allocation changes made during the life of the portfolio. The portfolios' Past Performance is to be used for illustrative purposes only. The portfolio and the corresponding composition are subject to change at any time and without notice. Additional information on the portfolio can be provided upon request.

## **Presbyterian Senior Living 403(b) Plan Annual Participant Plan Disclosure**

The following information is being provided to you to meet the Department of Labor's disclosure requirements.

### **How to Make an Election**

After reviewing the Annual Participant Investment Disclosure, if you are interested in making investment changes, these changes may be made at [myconradsiegel.com](http://myconradsiegel.com) or by calling (800) 577-3675.

### **Administrative Costs**

The firms we have hired to help us establish and operate the Plan charge for the services they provide. The costs related to these services are paid as outlined below.

We generally pay the following costs:

- Independent audit – conducting of any required annual audit of the Plan by an accountant.

The following costs are paid directly by the Plan:

- Recordkeeping services – including maintenance of participant accounts, preparation of statements, provision of the website, and ongoing compliance with retirement plan laws and regulations.
- Trustee services – safeguarding plan assets in a trust account.
- Investment advisory services – providing investment consulting and advisory services to the Plan.

These Plan costs are allocated to participants' accounts on a pro rata basis. The charge may be more or less than what an IRA provider might charge.

Certain fees will be deducted from your account as follows:

- An amount of \$150.00 will be deducted from your account as payment of any loan processing fee.
- The cost of reviewing a domestic relations order in connection with your divorce is based upon the time spent.

### **Plan Administrator**

The Plan Administrator is:

Raelene Gervinski  
One Trinity Drive E  
Suite 201  
Dillsburg, PA 17019  
Telephone: (717) 502-8840
