

**BACHELOR'S DEGREES | MASTER'S DEGREES | CERTIFICATE PROGRAMS**

Presbyterian Senior Living employees and their spouses and children have been granted unprecedented access to select Harrisburg University of Science and Technology undergraduate, graduate and non-degree courses and programs thanks to a recent agreement reached between the University and Presbyterian Senior Living.

Presbyterian Senior Living employees receive an automatic **25 percent** reduction in Harrisburg University public-enrollment tuition or training fees. Eligible spouses receive a **10 percent** reduction. Eligible children also receive a **10 percent** reduction for undergrad programs.

The agreement also gives Harrisburg University the opportunity to create courses and programs specific to Presbyterian Senior Living's needs should eight or more employees have a common education or training need.
