

Frequently Asked Questions

How does it work?

UKG Wallet gives you access to a percentage of the money you worked for but haven't been paid yet.¹ The money that you access is then deducted from your next paycheck, giving you the flexibility to pay for things on your own schedule.

What are the benefits of a UKG Visa® Card*?

Earned wages transfer in real-time to the card, so you can take it on the go and use it everywhere Visa debit cards are accepted. No fees* to apply or activate, and there are no maintenance fees or minimum card balance requirement.

When you have direct deposit to the card², you can access wages in real time at no cost and increase your max access limit up to \$1000 per pay period.

*This is a UKG Visa Prepaid Card issued by Central Bank of Kansas City, Member FDIC, pursuant to a license from Visa® U.S.A. Inc.

How long does it take to get Earned Wage Access funds?

Transfers to the UKG Visa Card and other debit cards are made in real-time. Transfers to bank accounts are completed within 1-3 business days. Transactions made after 12:50 PM EST M-F are processed the next business day. (Please see fee table for details)

I worked yesterday, why isn't the accessible amount showing?

It's possible that we haven't received your hours from your employer yet. We usually receive that info at the end of each day, but if you continue to see an incorrect accessible amount, please contact us through one of the help resources below.

What happens on payday?

Money you access plus any fees incurred will show as deductions on your next paycheck.

Note that if you work in NY, NJ, MA, or PR, any fees incurred will be charged to the card specified on the transaction summary at the time of the transaction.
