

# PRESBYTERIAN SENIOR LIVING

## FACT SHEET

**Our Mission:** Guided by the life and teachings of Jesus, the mission of Presbyterian Senior Living is to provide compassionate, vibrant, and supportive communities and services to promote wholeness of body, mind and spirit.

**A Brief History:** Presbyterian Home of Central Pennsylvania originated in 1927 when Mrs. Ellen Parker donated her farmhouse near Newville, PA. One year later, The Parker Home opened as its first facility, providing care for 10 older women from Central Pennsylvania - the very first residents.

**Today:** Presbyterian Senior Living is dedicated to providing high-quality, affordable healthcare, housing, and retirement services to seniors in 30 locations in the mid-Atlantic region of Pennsylvania, Maryland, Ohio, and Delaware.

**Services Provided:** Throughout its system of care, Presbyterian Senior Living collectively provides independent living in apartments, villas, patio homes, and cottages; assisted living and personal care; short-term and long-term skilled nursing care; specialized Alzheimer's and dementia care; sub acute care; respite care; comprehensive rehabilitation therapy and adult day services. All services of Presbyterian Senior Living are available to individuals regardless of race, color, religion, creed, disability, ancestry, national origin, age or sex, in compliance with all local, state and federal laws.

**Staff & Residents:** Today more than 2,600 administrators; physicians; registered nurses; licensed nurse practitioners; nurse aides; physical, occupational and speech therapists; dietitians; and other staff provide care to more than 6,000 residents and clients throughout Presbyterian Senior Living and its affiliate organizations.

**Volunteers:** Play an integral role in the provision of services offered by Presbyterian Senior Living. Volunteers provide those special touches that are part of what makes Presbyterian Senior Living such a delightful place for residents. Our volunteers are passionate about the valuable services they perform and give more than 100,000 hours of their time each year supporting communities.

**Caring in Action:** Presbyterian Senior Living provides benevolent support to residents who have outlived their financial resources and facilitates community enhancement initiatives. Whether it's a campaign for a wheelchair accessible minivan, a new Aquatic and Fitness Center, or renovations to our health centers, financial gifts have an immediate impact within our communities. Charitable contributions enable us to continue providing top-quality care and expand our capabilities to enhance the lives of residents.
