FOSTERING teamwork and responsibility.

UPHOLDING integrity in every action.

EMBRACING innovation to create opportunities for everyone's success.

LEADING with compassion and respect.

A Brief History: Presbyterian Home of Central Pennsylvania originated in 1927 when Mrs. Ellen Parker donated her farmhouse near Newville, PA. One year later, The Parker Home opened as its first facility, providing care for 10 older women from Central Pennsylvania - the very first residents.

Today: Presbyterian Senior Living is dedicated to providing high-quality, affordable healthcare, housing, and retirement services to seniors in 27 locations in the mid-Atlantic region of Pennsylvania, Maryland, Ohio, and Delaware.

Services Provided: Throughout its network of communities, Presbyterian Senior Living provides best-in-class independent living residential solutions, assisted living, personal care, transitional care, memory care, and skilled nursing services, along with respite care and comprehensive rehabilitation therapy. All services of Presbyterian Senior Living are available to individuals regardless of race, color, religion, creed, disability, ancestry, national origin, age, or sex, in compliance with all local, state, and federal laws.

Team Members & Residents: Today more than 2,100 administrators; physicians; registered nurses; licensed nurse practitioners; nurse aides; physical, occupational and speech therapists; dietitians; and other team members provide care to more than 6,000 residents and clients throughout Presbyterian Senior Living and its affiliate organizations.

Volunteers: Play an integral role in the provision of services offered by Presbyterian Senior Living. Volunteers provide those special touches that are part of what makes Presbyterian Senior Living such a delightful place for residents. Our volunteers are passionate about the valuable services they perform and give more than nearly 100,000 hours of their time each year supporting communities.

Giving with Purpose: Presbyterian Senior Living sustains a culture of philanthropy that supports residents we serve and strengthens our communities from every angle. Charitable gifts fund resident assistance for those who have outlived their financial resources, community enhancement projects that improve where residents live, and health and well-being programs that keep residents engaged physically, mentally, socially, and spiritually. Gifts also support team members directly, providing hardship relief in times of crisis and scholarships that help team members develop and grow their skills.
