

DINING SERVICES

Glen Meadows

At Presbyterian Senior Living, we hold our communities to the highest standard when it comes to dining services. We work hard to ensure that our menu offerings are varied to meet both the needs and tastes of the residents we serve.

To accommodate these diverse needs and tastes, we consistently review residents' feedback to ensure that we are providing the most satisfying and nourishing menus possible.

If a resident has a particular dietary need he or she is concerned about, our talented dining staff will be pleased to modify our menus to make sure that every resident has a delicious meal available to them.

We invite you to join us for a meal or talk to current residents about our menu and exceptional quality of dining services.
