Frequently Asked Questions about Residential Living

Must I be a member of a Presbyterian Church to be accepted for admission? No. As a Presbyterian Senior Living Community, we enjoy the strength and stability of an organization that has served seniors for more than 95 years. Caring for people is not just our job – it's our calling. It is our policy to admit and treat all residents without regard to race, color, national origin, age, ancestry, sex, religious creed, handicap or disability.

Why does being not-for-profit make a difference?

Green Ridge Village is proud to be a faith-based, not-for-profit provider which places “people before profits.” While for-profit facilities have the dual responsibility of providing care and satisfying the needs of investors, our attention can be more sharply focused on meeting the needs of the people we serve.

Do you embrace cultural diversity?

As a faith-based organization, Presbyterian Senior Living is founded on the belief that every human being is of infinite worth as a unique creation of God. Based on this premise, Presbyterian Senior Living is committed to fully embracing the diversity of all persons served, so that together, we can foster a culture of inclusion in an environment free of all forms of discrimination where all people are treated with dignity and respect. Our goal is to cultivate awareness and understanding of personal differences and biases so that an environment of understanding, acceptance, respect and support is established.

Are pets permitted?

Yes, dogs, cats and birds are welcomed in Independent Living. Please refer to the Community Pet Policy. Maximum of two pets in a cottage. One dog or one cat permitted in an apartment.

Living Better, Growing Together

INDEPENDENT LIVING RESIDENCY INVESTMENT FEES

(Effective January 1, 2025 - subject to change without notice)

Our Fee Structure

For both singles and couples at Green Ridge Village, a one-time **Residency Investment Fee**, plus a reasonable **Monthly Maintenance Fee** – based on the type of home you choose – provides you with living accommodations that fit your lifestyle. Many of the residents find that living at Green Ridge Village is more convenient and less costly than living in their previous home. The Residency Investment Fee is often covered by the sale of a house. The Monthly Fee is usually covered by Social Security, pensions and/or money previously used for monthly utility bills, home maintenance and repair, transportation, insurance premiums and property taxes.

Residency Investment Fee

We offer you a choice of two entrance plans. Both entitle you to a life-lease of your living unit, (i.e., the right to reside in the accommodation for the rest of your life under the terms of the Residence and Care Agreement).

- Our **50 Month Plan** assures residents that if they should withdraw from the community within the first 50 months, they will receive a partial refund based on a 2% reduction of their Residency Investment Fee for every month of occupancy. After 50 months of occupancy there is no refund under this plan.
- Our **50% Refund Plan** has a slightly higher Residency Investment Fee but provides for a 50% minimum refund based on 2% reduction of the Residency Investment Fee for every month of occupancy for 25 months.

Flexible Entrance Fee Options

We are pleased to offer you pricing alternatives on select residence styles to help make your new home a reality that best suits your situation. The Flexible Entrance Fee Options were developed based on feedback from prospective residents. Our experience has taught us that some people have strength in their monthly income, however their ability to pay a larger entrance fee is a challenge. These plans were created to give the residents a variety of ways to finance their life at Green Ridge Village. Please contact the community sales office to learn more about which option might work best for you.
