Frequently Asked Questions about Residential Living

Must I be a member of a Presbyterian Church to be accepted for admission? No. As a Presbyterian Senior Living Community, we enjoy the strength and stability of an organization that has served seniors for more than 90 years. Caring for people is not just our job – it’s our calling. It is our policy to admit and treat all residents without regard to race, color, national origin, age, ancestry, sex, religious creed, handicap or disability.

Why does being not-for-profit make a difference?

Kirkland Village is proud to be a faith-based, not-for-profit provider which places “people before profits.” While for-profit facilities have the dual responsibility of providing care and satisfying the needs of investors, our attention can be more sharply focused on meeting the needs of the people we serve.

Do you embrace cultural diversity?

As a faith-based organization, Presbyterian Senior Living is founded on the belief that every human being is of infinite worth as a unique creation of God. Based on this premise, Presbyterian Senior Living is committed to fully embracing the diversity of all persons served, so that together, we can foster a culture of inclusion in an environment free of all forms of discrimination where all people are treated with dignity and respect. Our goal is to cultivate awareness and understanding of personal differences and biases so that an environment of understanding, acceptance, respect and support is established.

Are pets permitted?

Yes, dogs, cats and birds are welcomed in Independent Living. Please refer to the Community Pet Policy. There is a one-time charge of \$100 per pet. Maximum of two pets.

Is there a minimum age for residency? Yes, residents must be at least 55.

INDEPENDENT LIVING RESIDENCY INVESTMENT FEES

(Effective January 1, 2024 - subject to change without notice)

Our Fee Structure

For both singles and couples at Kirkland Village, a one-time Residency Investment Fee, plus a Monthly Maintenance Fee – is based on the type of Apartment, Cottage or Terrace home you choose that will provide you with living accommodations to fit your lifestyle. Many residents find that living at Kirkland Village is more convenient and less costly than living in their own homes. The Residency Investment Fee is often covered by the sale of a house. The Monthly Fee is usually covered by Social Security, pensions and/or money used for monthly utility bills and home maintenance/repair, transportation, insurance premiums and property taxes.

Explanation of the Residency Investment and the Refund Plans

The Residency Investment at Kirkland Village is YOUR investment for your best future. To accommodate residents with varying estate requirements, Kirkland Village offers two different Residency Investment Programs. Both plans offer the same level of service and accommodations and differ only in the refund schedule.

We offer you a choice of two entrance plans. Both entitle you to a life-lease of your living unit, (i.e., the right to reside in the community for the rest of your life under the terms of the Residence and Care Agreement).

50 Month Plan

- Our 50 Month Plan assures residents that if they should withdraw from the community within the first 50 months, they will receive a partial refund based on a 2% reduction of their Residency Investment Fee for every month of occupancy. After 50 months of occupancy there is no refund under this plan.

50% Refund Plan

- Our 50% Refund Plan has a slightly higher Residency Investment Fee but provides (after 25 months) for a 50% minimum refund based on a 2% reduction of the Residency Investment Fee for every month of occupancy.

70% Refund Plan

- Our 70% Refund Plan is available to all new resident's who are 79 or younger at the time of their Contract Signing. It has a higher Resident Investment Fee but provides (after 15 months) for a 70% minimum refund base on a 2% reduction of the Residency Investment Fee for every month of occupancy.

Under all three entrance plans, the payment of the refund is contingent upon the resale and occupancy of the residence.
