

Secure your
vibrant
retirement.

Special Invitations | Complimentary Guest Stays | Exclusive Events | Wait List Preferences

Preferred Member

FUTURE RESIDENT CLUB

Presbyterian Senior Living offers prospective residents the opportunity to join the Future Resident Club and enjoy enhanced benefits associated with membership.

Access and Opportunities

Future Resident Club members enjoy opportunities to engage with the community of their choice and the residents in ways not offered to the general public. Some benefits include:

- Special invitations to resident activities and events
- Two annual complimentary guest stays for up to two nights per stay, where applicable
- Exclusive events explicitly designed for members
- Waiting list preferences for residences of your choosing
- Monthly meals*

Financial Advantages

Members can be rewarded for acting quickly when a preferred residence becomes available! PSL will match the original per person Future Resident Club membership fee as a discount off of the associated entrance fee for any member accepting the **FIRST** residence offered that matches any one of their listed residential preferences. If you decline the first offer, you will still retain your place on the waitlist; however, PSL will not match the membership fee in the future.

As an added bonus, if a member accepts a residence **NOT** on their preference list, and it is the **FIRST** residence offered, PSL will honor the membership fee match.

The cost of a membership to the Future Resident Club is \$2,500 per person and fully refundable.

This membership fee will be deducted from your entrance fee once you sign a contract with the community. There is also a \$250 non-refundable application fee for the first person and a \$150 non-refundable application fee for the second person in the same household.
