

How to Know if Long-term Skilled Nursing Care is a Good Fit

Long-Term Skilled Nursing Care IS a Good Fit for You or a Loved One if...

- You or a loved one needs daily assistance with all or most of the activities that are required to function independently
- You or a loved one needs 24-hour support from medically licensed and certified team members
- You or your loved one is looking for a long-term solution to help with medical needs, memory care, physical therapy or hospice care

Long-Term Skilled Nursing Care IS NOT a Good Fit for You or a Loved One if...

- You or a loved one need a place to recover after an accident or an illness before returning home
- You or a loved one is looking for a short-term rehabilitation services.

At Presbyterian Village, a Presbyterian Senior Living Community, our Skilled Nursing Services provide residents with 24-hour customized care. Our communities give residents and their families the peace of mind in knowing that their loved one is being taken care of with personalized care. Whether an individual needs restorative care or is looking to stay active with planned events and social outings – Presbyterian Senior Living is committed to providing high-quality services to all residents.

Respite Care: Respite Care is an option for temporary care in a long-term care community. Typically, the person is receiving care at home and the person's caregivers need a temporary break from caregiving. Respite is always time-limited and the person would return home after the designated time. This is often the perfect solution for families seeking a comfortable home-away-from-home for a loved one when out of town or preparing for a holiday. Through our Respite Care services, you or a loved one will have the opportunity to meet new people with similar experiences and enjoy fun activities, all while being cared for in a safe and friendly environment.

Amenities that Complement *Innovative, Supportive, Compassionate*

- Access to campus amenities
- Access to dental, podiatry, eye, x-ray and lab services
- Assistance with medications
- Chaplain services
- Engaging comprehensive community life that are tailored to each person
- Physician services
- Religious services weekly
- Restaurant style dining
- Restorative nursing program
- Supportive psychological services
- Transportation available for appointments

Special Considerations: The cost of long-term skilled nursing care is either paid privately or by Medical Assistance if the person qualified financially and medically.
