

More Peace of Mind.

We understand balancing life and caregiving tasks can be a challenge. If you are looking for additional support or have been considering at-home care, we invite you to explore the advantages of Assisted Living at The Long Community.

What is Assisted Living at The Long Community?

Assisted Living provides seniors with support and assistance when needed with a focus on total well-being. Assisted Living at The Long Community works in harmony with residents and their families to ensure they meet each person's needs and can adjust care plans as those needs may change. You can expect our Assisted Living community to provide your senior loved one with:

- Help in daily tasks like taking medications, bathing, dressing and maintaining a well-balanced diet
- 24-hour staffing and emergency call system

- Assistance with scheduling medical appointments
- Medical management and assistance with coordination of hospital services or health center stays
- Provide the opportunity for companionship for those seniors who would rather not live alone and often host activities in a group setting to promote socialization

Residential Offerings

Our Assisted Living floor plans range from 396 to 440 square feet and offer a wide array of amenities. Safe and comfortable accommodations provide just the right amount of space and privacy with help nearby if needed. Each residential offering includes:

- Beautiful, private maintenance-free residence with outdoor patios
- Spacious apartments with private bathrooms, showers, and kitchenettes
- Three delicious, chef-prepared meals each day with special diet accommodations, plus snacks
- Fresh linen, personal laundry, and housekeeping services
- Individually controlled heat and air conditioning
