How does it work?

"When my parents moved into The Long Community, my mother was in the early to mid-stages of Alzheimer's disease. As her health declined, our family worked with the Resident Services Manager to devise a plan for my mother's increasing daily needs. We are thankful for the competent and compassionate caregivers who cared for my mother and provided support to my father. It was a blessing that my mother was able to receive care at home as her illness progressed and during the last weeks of her life."
