Whether an individual needs restorative care or is looking to stay active with planned events and social outings – Presbyterian Senior Living is committed to providing high-quality services to all residents.

Long-Term Skilled Nursing Care
IS a Good Fit for You or
a Loved One if...

- You or a loved one needs daily assistance with all or most of the activities that are required to function independently
- You or a loved one needs 24-hour support from medically licensed and certified team members
- You or your loved one is looking for a long-term solution to help with medical needs, memory care, physical therapy or hospice care

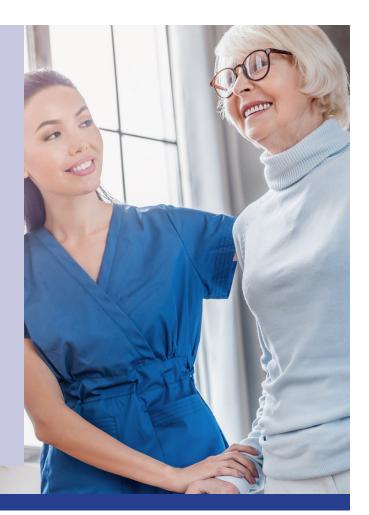

Long-Term Skilled Nursing Care IS NOT a Good Fit for You or a Loved One if...

- You or a loved one need a place to recover after an accident or an illness before returning home
- You or a loved one is looking for a short-term rehabilitation services, better known as transitional care to return home. Each of our communities also offers Transitional Care.

Other Special Services

End of Life Care: End of Life Care is care given to people who are near the End of Life Care and have chosen to stop treatment to cure or control their disease. End of Life Care includes physical, emotional, social, and spiritual support for patients and their families. The goal of end-of-life care is to control pain and other symptoms so the patient can be as comfortable as possible. End of Life Care may include palliative care, supportive care, and hospice care.

Respite Care: Respite Care is an option for temporary care in a long-term care community. Typically, the person is receiving care at home and the person's caregivers need a temporary break from caregiving. Respite is always time-limited and the person would return home after the designated time. This is often the perfect solution for families seeking a comfortable home-away-from-home for a loved one when out of town or preparing for a holiday. Through our Respite Care services, you or a loved one will have the opportunity to meet new people with similar experiences and enjoy fun activities, all while being cared for in a safe and friendly environment.
